

Notice of Vacancies

There are openings for two Town Meeting Representatives to serve on the committee to study the regulation of Jersey barriers in the Town. This Committee was established by the November 19 Special Town Meeting to review possible regulatory approaches to the placement and use of Jersey barriers in the Town.

There are four openings for Town residents on the Senior Center Site Committee. The Committee was formed by the Special Town Meeting “to determine the preferred size and size of a Senior Center, to make recommendations as to the rehabilitation and/or expansion of current town buildings or construction of a new town building for a Senior Center, provide an approximate cost estimate and make a recommendation as to the funding source.”

Interested applicants should contact Town Moderator Dan Driscoll at ddriscoll@hhsi.us, at 41 Lilly Lane or 781-326-9409.
